PRICE, THREE CENTS

PLATFORM STATED BY E. C. GRISWOLD

Council President Seeks to
Lower Taxes, His
Claim.

WANTS ASSESSORSHIP

Lowered taxes and equalized assessments are the twin aims in the candidacy for assessor of Edward C. Griswold, president of Council, according to a statement released Thursday.

The decision of Mr. Griswold to abandon his important Council post in order to seek the rather thankless job of real estate assessor is the cause of Narberth's only political contest this year. Mr. Griswold will oppose the present incumbent, Frank A. O'Brien.

That Mr. Griswold seeks the job not through any desire to discredit the work of Mr. O'Brien, but with a particular plan in view is explained in his statement addressed to the voters of Narberth:

"In view of the many reasons for my candidacy for the office of assessor which are being advanced in discussions of the coming primaries, I believe a statement from me will help to clarify the situation. At the same time I want it plainly understood that my action is not in any way based on personalities, either as regards my opponent or the owner of any particular property.

"I agreed to become a candidate only after it had been urged upon me on the basis that I had been an official of the borough for six years, the last two having been as president of Council. It was represented to me that I am thereby qualified to help in the solution of the biggest problem before the voters of Narberth today, namely, the lowering of taxes. This is the question which my candidacy will put before the town on September 20.

"It has been said that my entrance into the primaries is a scheme of Council to raise taxes without increasing the rate. On the contrary, it is my opinion that taxes can be lowered by an 'equitable adjustment' of the assessments. Just one illustration will be sufficient. The average assessment is approximately one-third of the present valuation and properties recently improved, the business section included, conform to that basis. But there are properties in the business section enjoying a large income from rentals that are assessed as low as 10 per cent. of the valuation based on the rent charged. Many of the properties are owned by non-residents. This is unfair to the home owner and at least 85 per cent. of our taxpayers are in that class.

"Proper assessments will mean proper revenues and a lower rate of taxation can be made effective by Council as soon as the adjustment is made. In other words, if elected, I will take office with just one pledge—to enlist the support of all people and agencies in the town capable of giving expert assistance and 'an equitable adjustment for all.'"

MRS. AMELIA VOGT

The funeral of Mrs. Amelia Stief Vogt, who died last Saturday, was held from the home of her daughter, Mrs. Ida Chamblay, with whom she resided.

Mrs. Vogt, who was nearing her eightieth birthday, was a native of Philadelphia and had resided in this vicinity all her life. She is survived by her daughter, Mrs. Chamblay, and two sons, Mr. Howard Vogt, of West Philadelphia, and Mr. Albert Vogt, of Wildwood, N. J.

Interment was made in Westminster Cemetery. Rev. Cletus A. Senft, pastor of the Lutheran church, officiated.

TURPENTINE ABLAZE

Last Saturday evening the firemen were called out to aid in the extinguishing of a pot of turpentine which went ablaze at the residence of Mrs. Sarah Burgess, 242 Hampden avenue.

The turpentine had been placed on the kitchen stove with a stiff paint brush brewing. A guest at the house was scorched as he tossed the blazing can out the back door, but no other damage was done.

Lower Merion Grid Candidates Report Tuesday for First Drill

SCHOOL NOTICE

The Narberth public schools will open at 8:40 on Monday morning, September 12. Children attending the kindergarten will report at the Community Building, Windsor and Conway avenues.

The school office is open every morning except Saturday, from 9 to 12, for the registration of new pupils. Early registration is desired.

The Lower Merion elementary and high schools will open on the same day. It was announced this week by Superintendent S. Edgar Downs.

The bus schedule for the Narberth pupils at Lower Merion will be published in the next issue of Our Town.

ENDS CONNECTIONS WITH BUS COMPANY

Frank A. Dugan, Treasurer
and Manager, to Organize
New York Line

BITNER BACK ON JOB

Frank A. Dugan, treasurer of the Montgomery Bus Company, Inc., which operates the Lancaster and Montgomery pike, Garret Hill and Stratford busses, has severed his connections with that company and gone to New York city, where he is organizing lines for another corporation in that city. While here, he was in active charge of the Montgomery Bus operations and made his home in Ardmore.

Mr. Dugan's specialty is installing and organizing bus lines. While with the Montgomery Bus, he established lines to Stratford and Gladwyn, and supervised the organization of the Montgomery pike lines, through Bala-Cynwyd and Narberth, which route was taken over last year on a 10-year lease from the Philadelphia-Suburban Bus Company. He also pushed plans for a bus line from Fifty-fourth and City Line, Bala, to West Manayunk, and for another from Stratford to Media, applications for which have now been before the Public Service Commission for several months. At various times when rumors became persistent that the Montgomery Bus was owned by the P. R. T., Mr. Dugan sought for comment, made regular denials that the local company was associated with or was a subsidiary of Mitten Management.

MORE TOURNAMENTS AT TENNIS CLUB

Week-end to See Several Colorful
Contests.

During the Labor Day week-end, the Narberth Tennis Club will be the scene of four colorful tournaments.

On Saturday, September 3, the two tournaments for men will begin, viz., Men's Singles and Men's Doubles. The usual club cups for winners, runners-up and consolation winners will be awarded.

On the same day a tournament for both men and women, viz., Mixed Doubles, will begin. This is a feature new to the Narberth Club, and its institution has aroused much interest. There will also be cups awarded in this event.

On the same day there will be a tournament for girls exclusively. The bachelors of the club have donated a silver centerpiece to the winner, and there is much speculation as to which one of the 25 entrants will win it.

TO COLLECT ASHES

Ash collections will be made in Narberth next week, according to Street Commissioner George B. Suplee. This will be the regular September collection.

As Monday is a holiday, the trucks will start on Tuesday. Each home will therefore be visited one day later than usual and householders have been requested to put out their boxes in line with the shifted schedule.

PEACH SOCIAL

A peach social will be given in the near future by the Ladies Aid Society of the Lutheran Church. Watch this paper for further announcements and the date.

Facing one of its hardest schedules in recent years the Lower Merion High School grid hopefuls report for preliminary training on Tuesday afternoon of next week. This brings the boys back nearly a full week before the official opening of the school, which is set for September 12th, but with the task before them this is not any too soon.

Looking over the material which Coach Albert C. Adam will have at his disposal this year the outlook is far more favorable than at this time last fall. Then Coach Adam had only three lettermen with which to build a new team. The Miller brothers and Frank Jensen made up this trio. This season there will be six lettermen available as a foundation for the team.

The six boys that earned the coveted felt last year are Al Cook, Monroe Purse and Sam Barclay, all linemen. The others do their duty from back of the line and take care of three of the four places in the backfield. They are Irwin Dothard, quarterback; Ossie Smith and Scott, both halfbacks. Cook, Purse and Barclay played at end last year but it is Coach Adam's intention to shift these three players to form the backbone of the line.

Other linemen that showed much promise last year are Coleman and Faulk, tackles; Richardson and D'Amora, ends; Cunningham, Baker and Bridgeman, guards.

At center is where the biggest difficulty lies. Last year both Parker Lloyd and Green had a little experience at the position but Lloyd seldom stayed eligible long enough to be of any use and Green this year he has promised reform.

COUNTY BIG ENOUGH FOR TWO SENATORS

So Boyd Declares in Rotary
Speech on Montgomery
Problems

INFLUENCE IS LARGE

A brief summary of Montgomery county's growth and some of the problems which a State Senator representing this county meets while sitting in the Legislature was the subject of a talk given this week to the Norristown Rotarians by State Senator James S. Boyd.

During his speech Mr. Boyd declared that Montgomery had grown to the stage where it should have two Senators but declared it his belief that the extra place would not be created for some time to come.

"The county of Montgomery has grown so rapidly in population, wealth and influence it now rates as one of the foremost political units outside of Pennsylvania's two large cities," Mr. Boyd declared. "The demands from its people are so varied and diversified it makes the task a difficult one to serve each and every one. In farming alone, this county has a total of \$40,000,000 invested. Laborers, manufacturers, all races, nationalities and religions are represented."

August Coolness Breaks Main Line Weather Records---Was Wet

August was cool with record breaking coldness; August was also wet—and any Main Line resident who hath doubts is invited to interview Weather Observer Charles Decker.

Reporting yesterday on the weather behavior of the month just ended, Mr. Decker declared that it was the coolest August on his records. The month ran up a temperature deficiency of 129 degrees which made it just 164 degrees colder than last year when there was an excess of 35 degrees.

In addition to this, August broke another mark. It had a day on

SELL TENNIS COURTS

The autumn movings about started early this year, it was revealed this week in a tour of several of the local real estate offices. While no complete chronicle of the sellings, buyings and movings of the past month was attempted, a number of interesting real estate deals have been reported by Robert J. Nash, Durbin and Howard and John A. Caldwell.

A sale which may result in interesting developments in the future was made recently when William D. Smedley sold the old tennis court lot. This tract of ground, on the southeast corner of Elmwood and Essex avenue, has a frontage of 253 feet on Elmwood avenue.

The purchasers are said to be a syndicate from Sixty-ninth street. No plans have been announced for the property which, under the zoning law, lies in a residential section.

Durbin & Howard report several recent transactions. W. Grier Briner, of Cleveland avenue, has purchased one of the new homes

THE BIG WEEK!

Three ball games will be on the bill for this week-end. Surely a feast for the local fans who are praying for a bit of clear weather.

Today, Saturday, Gladwyn will play an afternoon game on the playground. Monday morning Wayne will play on the local field and in the afternoon the team journeys to Berwyn, whence the loyal will travel.

These games close the Main Line League season. The twilight series is also over for the year. Let's close it up with a bang—there is plenty of good ball to watch this week-end.

BOARD OF TRADE PLAYS SAMARITAN

Wipes Out Deficit in Annual
July Fourth
Affair.

WOULD MANAGE AFFAIR

The Narberth Board of Trade played good samaritan this week when it pulled the Fourth of July Celebration Committee out of its financial hole.

The officers of the merchant's association, in consultation with a number of the members, decided Monday that no civic movement could better be backed by the business men. As a result it was agreed to wipe out the deficit.

A letter enclosing a check for \$90 was sent Tuesday to Harry A. Simpson, chairman of the committee. Chris Koch, president of the Board of Trade, accompanied the check with a brief note of good will to the committee.

Failing to secure enough funds to float the celebration, those in charge of the annual affair did not spoil the event by curtailing expenses, but put on a program which drew over 3000 people to the playground on the evening of July 4.

No hats were passed and no tickets sold. Everyone had a good time, but the treasury was many dollars short. A small amount was raised after the celebration by personal appeal and a benefit ball game last week netted over \$50. A little less than a hundred was left to go and this the Board of Trade has shouldered.

It is possible that the merchants will offer to take over the management of the annual celebration next year, either to relieve the citizens' and legion committees or to work with them in the planning and financing.

BUSINESS STREET A BLAZE OF LIGHT

Haverford Avenue to Be Trans-
formed for Carnival.

From all accounts the Carnival Committee of the Narberth Fire Department's Midway Carnival are meeting with great success in connection with the affair to be held September 16 and 17. The Entertainment Committee, Booth Committee, the Food, the Gift, the Music, the Decorating, the—Oh! but why go on when there are a dozen other committees, each specialists in a particular line, who have reported to Mr. C. V. Noel that everything is coming along just swimmingly—that they are receiving the utmost in co-operation.

Even the oldest settler will not be able to recognize Haverford avenue on September 16, when it has been transformed into the Grand Midway. The streets are to be festooned with thousands of electric lights. Hundreds of banners and flags will be flying and the shops will all be in gala attire.

It's the two big nights. What with bands playing, pretty girls dancing, the hundreds of gifts and novelties on display and especially the attractive Professor Zanzo, the psycho-analyst, and, last but not least, Duke the Dancing Duck.

The worthiness of the cause is being exemplified by the fine spirit of co-operation extended not only by the merchants of Narberth, but also of the surrounding towns, such as Cynwyd, Bala and Ardmore.

Distribution of gift books have now been issued and same may be secured from Mr. C. V. Noel or the committee, consisting of Messrs. J. B. Wine, W. D. R. Evans, Taylor Henry and J. W. Darville.

NO ASPIRANTS FOR COUNTY JOBS QUIT

All Local Candidates Also
Stick in as Withdrawal
Date Passes

HOLD PLACE DRAWINGS

No candidates for nomination to county offices in the primary election on September 20 have withdrawn from the race since their petitions were filed with the County Commissioners on August 16. Last Tuesday, the final day for such action, passed with no voluntary eliminations.

There were sixteen withdrawals in the county at large of candidates named for various township, borough and ward offices, but none of these was from Lower Merion or Narberth.

On Friday morning drawings began at the office of the County Commissioners for the order in which the names of candidates are to be printed on the primary ballots. These resulted in the following order for Lower Merion aspirants:

School Director—(R.), Martha Moorehouse, Marjorie Sellers.

Auditor—(R.), Frederick T. Moore, Harvey T. Leedom.

Constable—(R.), Robert J. Lindsay, Michael McDonough.

Seven districts in the township will also nominate Commissioners at the primary but in none of these have the incumbents, who are all candidates for re-election, any opposition. As there was only one name in each district for these offices no drawings were necessary.

Narberth Order.

In Narberth the names of the candidates will appear on the ballots in the following order as the result of the drawings completed this week:

School Directors—(R.), Josie Monks, Isadore A. Miller.

Councilman—(R.), Edward S. Haws, William H. Fretz, Clifford W. Bates; (D.), Edward S. Haws, Clifford S. Bates, William H. Fretz.

Auditor—(R.), Isaac McHose, Andrew Greene.

Assessor—(R.), Frank A. O'Brien, Edward C. Griswold; (D.), Frank A. O'Brien, E. C. Griswold, (D.).

VOTERS INVITED

Candidates to Attend Meeting Sep-
tember 12.

The Narberth League of Women Voters will again sponsor a candidates' meeting to which all the candidates of the county and borough have been invited.

The league looks forward to having the voters of Narberth well represented, for it is a meeting open to every citizen and called in the evening so that men as well as women will be free to attend.

The meeting will be held in the American Legion room of the Borough Community Building on Monday evening, September 12, at 8 o'clock.

YOUNG ADMIRALS VISIT HOME

Turn About!

When flames suddenly shoot up in your home, you know that a phone call to the Narberth Fire Department will result in a response of astonishing promptness.

When the Fire Company sponsors a drive or an event to raise money, are you just as quick to respond? It is all very well to boast to your brother in Oshkosh that Narberth has Pennsylvania's best trained and equipped company, but back up pride in concrete ways.

Complete plans for the Midway Carnival will be announced next week. Turn about is not only fair play—it is good business.

RAIN SPOILS BALL

Muddy Twilight Contest Results in Defeat.

Rain spoiled baseball last Saturday, and cut short the twilight game Wednesday. It has not been a good baseball week.

Clearview A. C. were the visitors at the Playground field Wednesday. Five innings were struggled through with rain falling throughout. Finally it got so dark that the contestants called it a day.

Ledy Flynn, on the mound for Narberth was a bit wild and six hits, with four runs got over during the gathering dusk. Holt did somewhat better for our visitors, and as a result the final tally stood 4-1, with the Boroughites on the little end.

fense. Now for the boys that carry the ball. With Dothard, Scott and Smith all ready to help out the backfield problem is not near as hard to solve as the forward wall. From the second team backs of last year that stand out come Tyson and Kohlhas, two frisky youngsters who should be a big aid this fall. Then, too, Mandes and Houghton should develop into good backfield timber with a little more seasoning. The boys mentioned above are only a few of the many that will be out for the team and each boy that comes out can easily displace or rather make a place on the team as Coach Adam says all positions are open and the best men will get the job.

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

Perfect Comfort -
for the woman driver

The steering column is adjustable
to suit your convenience

Buick for 1928 is extremely thoughtful of feminine comfort. One indication of this consideration is Buick's new steering column, which may be adjusted to the most comfortable position for women, as well as men.

And in addition, Buick for 1928 has a new steering wheel—slender to fit feminine fingers—yet deep

and solid to provide the firm grip men demand.

Buick for 1928 pleases women because it is easier to drive—because it is more comfortable to ride in—because it is the style-leader among motor cars. That's why you see so many Buicks at fashionable gatherings, and on the smartest boulevards.
